THURSDAY, APRIL 26, 2018

- Square 1 art- Renee Williams -all items arrived Monday April 23rd. The company is very easy to work with. There was a hold up this year because when we received the order forms, we had bad weather. Because of this, there was not a lot of processing time. Noticed that when we had orders in the fall we had \$6,000 worth of orders, but in the springtime orders are about half. The difficulty in the fall is giving the art teachers enough turnaround time with the projects.
- STEAM Fair-Kimberly Kern-The fair was held early March and was a very fun event. The fair started 5 years ago and has grown quite a bit.
- 6th grade activities- It was reported that all was on track for the end of the year, spirit sticks have been a very successful fundraiser. The 6th grade committee plans to donate books to the library for their end of the year donation.
- BOXTOPS- We will hold off on the next collection until the fall of the new school year.
- End of the year activities- next PTO meeting May 17th.
