

Silverbrook Elementary School PTO

2022-23 PTO Board Candidate Bios

President – Sandy Anderson

My name is Sandy Anderson, and over the last four years, I have served as the President for the Silverbrook Elementary PTO. Before that, I was the VP of Fundraising. I have had the opportunity to participate in the planning and execution of every aspect of the PTO's operations. I understand the importance of our organization, for both the students and staff at Silverbrook. I look forward to continuing to offer our community the same dedication and commitment as I have over the last six years in the upcoming school year. I have a rising 2nd grader at Silverbrook and a rising 7th grader at South County Middle School.

Vice President of Fundraising – Theresa Hull

My name is Theresa Hull, and I'm looking forward to an opportunity to help out with fundraising. I understand that schedules are busy and we are all juggling multiple priorities and activities. Also, I know that we look forward to bringing back the events that we have all grown to love, and that make us a connected school community. Fundraisers are critical to holding school events, and for us to continue giving back to the teachers and staff. I look forward to partnering with everyone to be as strategic and streamlined as possible with our fundraising opportunities. I have a rising fifth grader at Silverbrook.

Vice President of Activities – Alicia Russo

My name is Alicia Russo. I would like to serve as the PTO's Vice President of Activities. I have volunteered as a room parent for both my sons' classes and for PTO and school organized activities for the past seven years. I believe offering a variety of activities and avenues for inclusion for all students and stakeholders creates an environment that supports and values the differences and commonalities among us. I also believe including as many parents, caretakers, teachers, staff, and students as possible in activities strengthens the bonds within our school and our larger community. I currently have a rising 5th grader at Silverbrook and a rising 7th grader at South County Middle School.

Vice President of Programs – Monica Matoush

My name is Monica Matoush. I am looking to continue to serve on the Silverbrook Elementary School PTO Board as the Vice President of Programs. I've always been a staunch advocate for parent involvement in the school process, and I have served on Silverbrook's PTO in several positions over the last four years filling the needs of the board in several different capacities. I enjoy working with other parents and teachers to focus on issues like enhancing my children's learning environment, encouraging more community involvement and advocating for the right resources for teachers and administrators. I currently have a rising third grader at Silverbrook.

Secretary – Vacant
